FACIALS

Ageless Remedies Custom Facial

\$135

Relax and enjoy a facial experience customized to meet your skincare goals. Whether you want to improve skin tone or texture, reduce acne or wrinkles, or address any other concerns, our licensed practitioners and medical-grade skincare products will work together to help you - and your skin - feel ageless.

ZO Radiance Facial

\$135

The ZO Radiance facial is a no-downtime treatment for all skin types including sensitive and weak skin. The treatment provides gentle exfoliation that immediately revives dull-looking skin, replenishes skin moisture and promotes a more even, lovely skin tone.

Fire and Ice Facial

\$150

This IS Clinical Fire & Ice facial is an intensive clinical facial designed to rapidly and safely resurface the skin, while reducing fine lines and wrinkles, smoothing, softening, and encouraging cellular renewal.

Teen Facial

\$100

The Teen Facial is a custom facial with extractions to address the needs of younger, congested skin and restore a natural skin glow. After-school and Saturday appointments available.

HYDRAFACIALS

With a Hydrafacial you will get to enjoy all the benefits of decadently clean and fresh skin without the harshness of a traditional chemical peel or laser resurfacing. It removes dead skin cells and extracts pore-clogging impurities while infusing hydrating reparative serums.

Each treatment can be tailored to meet your specific skin needs such as acne, dullness, clogged pores, and more. Hydrafacials are gentle and yet very effective, thus they are appropriate for all skin types.

Get glowing for your next big event whether it's a wedding, graduation, or family reunion. Hydrafacial is the perfect treatment to get your skin picture perfect!

Hydrafacial Platinum

\$325

The treatment begins with a soothing lymphatic drainage to reduce puffiness and provide the appearance of lifting and contouring, followed by a purifying cleanse, gentle chemical peel, and pain-free extractions using Vortex-Fusion technology. Finishing includes targeted super serums and LED therapy.

Hydrafacial Deluxe

\$275

This refreshing treatment includes all the essentials of the Signature Hydrafacial while also addressing specific skin concerns using Hydrafacial's super serums to yield visible results. Experience the benefits of LED Light therapy for the perfect finishing touch.

Hydrafacial Signature

\$225

This treatment deeply purifies, nourishes, and protects the skin through our super serums filled with antioxidants and hyaluronic acid.

DIAMONDGLOW

Experience DiamondGlow™, a next-level non-invasive skin-resurfacing treatment designed to work with SkinMedica®, the best in skincare science to deliver radiant, rejuvenated, and healthy looking skin.

A DiamondGlow treatment simultaneously:

-  Exfoliates to uncover new skin
-  Extracts to deeply cleanse the skin and remove debris from pores
-  Infuses Skin with nourishing SkinMedica Pro-Infusion serums

3x1 Technology in one simple step.

DiamondGlow does more than just skim the surface, it simultaneously exfoliates, extracts debris, and infuses serums to deliver targeted nourishment when pores are open and most receptive.

MICRONEEDLING

SkinPen Microneedling

Treat an array of skin blemishes such as fine lines, wrinkles, scarring, stretch marks, acne, discoloration, sagging, and more.

A fine-needle micropen creates thousands of tiny channels on the surface of your skin that stimulates healing, improves complexion, and will leave your skin looking and feeling beautiful.

BODY CONTOURING

Sculpt and tone your body quickly and easily with the latest in body contouring technologies at Ageless Remedies of Roswell.

Start with CoolSculpting to freeze away stubborn fat, or use CoolSculpting Elite to treat two areas of fat in the same amount of time as one treatment.

CoolSculpting is the only FDA-cleared procedure to use controlled cooling to safely target and eliminate diet and exercise resistant fat.

This unique fat reduction treatment eliminates stubborn fat safely and effectively, without surgery or downtime.

Price depends on areas treated.

We now offer the most advanced CoolSculpting technology yet. We are able to freeze 2x the stubborn fat with dual applicators.
