

Dr. Judith Gurley Plastic Surgery & Medical Spa

PLASTIC SURGERY

Dr. Judith Gurley, board-certified by the American Board of Plastic Surgery with over 25 years of experience, is renowned for her results, reputation, and artistic approach to plastic surgery. Trained at Washington University School of Medicine in St. Louis, where she also served as an attending physician and assistant professor of plastic surgery, Dr. Gurley has continued her contributions to the field with 18 publications in peer-reviewed journals.

Dr. Gurley is an active member of prestigious professional societies such as the American Society of Plastic Surgeons® and The Aesthetic Society® and specializes in face, breast, and body.

Dr. Gurley considers herself a surgeon-artist, crafting bespoke plans for breast augmentations, reductions, lifts, and revision surgeries. She also reshapes bodies with liposuction, tummy tucks, and labiaplasty, while brightening faces with blepharoplasty and scarless facial rejuvenation. What sets Dr. Gurley apart is her vision, skill, and unwavering commitment to the pursuit of aesthetic excellence. Guided by her philosophy—*No one will know. Everyone will notice.*™—Dr. Gurley takes great care to get the best results with as little scarring as possible.

Dr. Gurley's practice extends to include a comprehensive medical spa, which allows her to address various aspects of her patients' facial concerns beyond surgery. Pioneering innovations, she was among the first to offer FDA-approved Daxxify® neurotoxins and the RHA® collection of dermal fillers. Dr. Gurley personally performs facial injections on her patients to ensure ideal placement, and goes even further by thoughtfully selecting products from her medical-grade Gurley Glow® skincare line to optimize results.

Known for exceptional patient-centric care, Dr. Gurley and her team offer a welcoming atmosphere and dedicated support throughout each patient's journey. She invites you to explore her website's photo galleries and follow her on social media to discover more about her practice and the transformative results she achieves.
