

APPLIED ANATOMY FOR FACIAL AESTHETICS: A CADAVER DISSECTION COURSE

CME/CE INFORMATION

This activity is jointly provided by Global Education Group (Global) and Aesthetic Mentor.

This activity is supported by educational, in-kind grants of neurotoxins provided by AbbVie, Inc. and Merz.

This activity is supported by educational, in-kind grants of dermal fillers provided by AbbVie, Inc. and Merz.

Target Audience

This course is designed for medical professionals (RN, NP, PA, MD, DDS) practicing in the field of medical aesthetics. There are no prerequisites required. An active license is not required as there is NOT an injectable portion of this class for providers.

Statement of Need/Program Overview

This comprehensive 7-hour course prepares learners to gain a deeper understanding of skeletal, muscular, vascular, and nervous system anatomy of the face, advanced treatment techniques, and assessment skills to enhance the safety of neurotoxin and dermal filler injections and achieve outcomes sought by patients.

A combination of live cadaveric dissection, classroom didactic, and injection demonstrations offer a unique learning environment and platform to expand the learner's knowledge.

This course is intended to provide an innovative educational experience, utilizing cadaveric tissue, to foster professional growth and measurable learning outcomes for established providers. At the completion of this class, providers will have increased knowledge in facial anatomy and improved safety techniques for injecting neurotoxins and dermal fillers.

Agenda

9AM-10:30AM (1.5 hours)	Didactic Presentation/Cadaver Lab Part 1
10:30AM-10:45AM (15 minutes)	Break (NON-CME)
10:45AM-12PM (1.25 hours)	Didactic Presentation/Cadaver Lab Part 1
12PM-12:30PM (30 minutes)	Lunch Break (NON-CME)
12:30PM-2PM (1.5 hours)	Interactive Cadaver Injection and Dissection (Group 1) / Interactive Live Assessment (Group 2)
2PM-2:15PM (15 minutes)	Break (NON-CME)
2:15PM-3:45PM (1.5 hours)	Interactive Cadaver Injection and Dissection (Group 2) / Interactive Live Assessment (Group 1)
3:45PM-5:00PM (1.25 hours)	Live Demonstration

Educational Objectives

After completing this activity, the participant should be better able to:

- Identify the vascular, nervous, skeletal, muscular, and ligamentous structures of the face.
- Describe normal facial anatomic variations and the effects of aging on facial anatomy.
- Discuss how to evaluate a patient for neurotoxin and/or dermal filler injections
- Discuss how to create safe and effective treatment plans for patients.
- List the possible complications of neurotoxin injections
- Discuss techniques to prevent neurotoxin injection complications.
- List the possible complications of dermal filler injections
- Discuss techniques to prevent dermal filler complications.

Physician Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Global Education Group (Global) and Aesthetic Mentor. Global is accredited by the ACCME to provide continuing medical education for physicians.

* This CME/CE activity complies with all requirements of the federal Physician Payment Sunshine Act. If a reportable event is associated with this activity, the accredited provider managing the program will provide the appropriate physician data to the Open Payments database.

Physician Credit Designation

Global Education Group designates this live activity for a maximum of 7.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing Continuing Education

Global Education Group is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

This educational activity for 7.0 contact hours including 0.0 pharmacotherapeutic contact hours is provided by Global Education Group. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure of Relevant Financial Relationships

Global adheres to the policies and guidelines, including the Standards for Integrity and Independence in Accredited CE, set forth to providers by the Accreditation Council for Continuing Medical Education

(ACCME) and all other professional organizations, as applicable, stating those activities where continuing education credits are awarded must be balanced, independent, objective, and scientifically rigorous. All persons in a position to control the content of an accredited continuing education program provided by Global are required to disclose all financial relationships with any ineligible company within the past 24 months to Global. All financial relationships reported are identified as relevant and mitigated by Global in accordance with the Standards for Integrity and Independence in Accredited CE in advance of delivery of the activity to learners. The content of this activity was vetted by Global to assure objectivity and that the activity is free of commercial bias.

Americans with Disabilities Act

♿ Event staff will be glad to assist you with any special needs (ie, physical, dietary, etc). Please contact Aesthetic Mentor prior to the live event at (857) 226-9492.

Global Contact Information

For information about the accreditation of this program, please contact Global at 303-395-1782 or cme@globaleducationgroup.com.
